The taste of these beans in the salad... is so bland...
Even the salt they used is the mongolian pink salt...
To bring out more flavor of the food, they put less salt in it...
Sigh...

The pasta wasn't too bad, but...
The portion was small and the taste was so bland. I feel like I didn't eat anything at all.

The phrase "it's okay!"
Reminds me of being constantly fooled...
